

## SANITARY INSTRUCTIVE OF BIOSECURITY COVID -19

*Skorpios Cruises is always committed to the well-being and safety of our passengers, staff and employees, for this reason we have implemented the following Protocol according to a Biosecurity Sanitary Instruction due to the current international contingency by COVID-19, which will be rigorously applied in all our cruises, on the Chonos Route during the 2022-2023 season.*

## RECEPTION AND BOARDING OF PASSENGERS

- *Mandatory use of masks when entering Skorpios Terminal.*
- *Partial boarding of passengers, scheduled by groups starting at 5:00 p.m. Your sales executive will tell you your turn.*
- *Documents to be presented at check-in:*
  - **FOREIGNERS**  
*Proof of vaccination together with an identification document-it will be valid as Mobility Pass. Those who do not have their vaccinations must present a negative PCR test result performed within the last 48 hours.*
  - **CHILEANS**  
*Valid Mobility Pass or certified PCR 48 hours before boarding.*
- *All Chilean and Foreign passengers will be required to take a mandatory Antigen Test and complete the Health Declaration and Disembarkation Authorization. Antigen test prize \$10.000 (USD 15).*

## RECEPTION AND BOARDING OF PASSENGERS (Continuation) \_\_\_\_\_

- *Minors under 18 years of age are exempt from the above regulations. They must comply with the nasopharyngeal or salivary antigen test.*
- *Temperature control upon entering the ship.*
- *Sanitization of suitcases and luggage at the terminal's clean point, boarding through the ship's stern deck.*
- *Delivery of COVID kit (masks, hand sanitizer).*

## BIOSECURITY ON BOARD DURING NAVIGATION

- *Safety and Biosafety Talk.*
- *Biosafety Sanitary Protocol Presentation at the beginning of the cruise, via CCTV.*
- *Maintain prudent distancing.*
- *Cabin cleaning and sanitization program: once a day.*
- *Common areas cleaning program: permanent sanitization of tables, chairs, bar surfaces, dining room, and frequent contact points.*
- *Individual air injection and extraction from cabins.*
- *Passenger daily temperature self-check: Twice a day, at breakfast and dinner, in a device shown.*
- *Hand sanitizer dispensers and footwear sanitizing units in common areas.*
- *On-board doctor or paramedic for the exclusive care of passengers, with medicine kit for common diseases and exclusive COVID medicines.*
