

# MILODON CAVE TOUR AND ITS SURROUNDINGS

*The New Kaweskar Route's passengers who stay the additional night before departure can take an excursion to the Milodon Cave and its surroundings.*

*This excursion starts at 07:30 AM. A transportation takes the passengers from the Skorprios Cruises terminal to the "Cueva del Milodon" natural monument. The activity includes starting a walk along the path that connects 3 caves (including the main cave) starting in the sector called "Silla del Diablo". It takes approximately 3 hours long on trails of low difficulty and with high natural and cultural value. During the excursion it will be possible to walk to the "Cueva del Medio" and also the "Cueva del Milodón" being the culminating point of the activity. During the excursion, aspects associated with vegetation, bird watching, archeology and paleontology stand out.*

*The excursion ends at noon (11:00 AM). The passengers will be transferred to the Skorprios terminal and board immediately on the Skorprios III Motor Vessel.*
